## Experience

Gao Tek (Remote)

February 2025 – July 2025

*Web Developer intern*

I worked on designing and building responsive, user-friendly websites using WordPress and Elementor. I gained hands-on experience in creating custom layouts, integrating various Elementor plugins, and optimizing website functionality and performance. My responsibilities included updating content, customizing themes, managing site structure, and ensuring mobile responsiveness. I also collaborated with the design and content teams to implement client requirements effectively. This internship enhanced my skills in website customization, problem-solving, and the practical use of WordPress-based tools for professional web development.
